A quote of £650.00 has been approved in order to side prune a large willow back to boundary that are overhanging the garages at The Tumps at the lane coming off Waterside Drive.

The tree works require urgent progress as soon as the nesting season is concluded. In order to book in the works, the quote was required to be approved under the scheme of delegation in August 2024.

10/09/2024 – No. 7. To consider the recommendation, from the Finance Committee meeting held on Tuesday 9th July 2024, that Patchway Town Council adopts the revised five-year budget plan, taking into account the report from the Officers.

Cllr Knight thanked the Council Officers for the report. Cllr Knight suggested that the Officer's recommendation be accepted except for the Twinning budget and the Council goes out for public consultation to establish the public's views.

Cllr Martin stated that historically it is the Twinning Association who manage the group.

Cllr Sam Scott advised members that the Council is not agreeing the budget at this meeting, this would be discussed at the next Finance meeting. Cllr Sam Scott would also not be opposed to a public consultation.

Cllr Loveridge advised that Twinning have always been successful with funding by way of grants from the Town Council and other organisations. There should be a public consultation to obtain the views about the Twinning programme from the public.

Cllr Lansdown was concerned that £20,000 per annum is too much and the money needs to be spent in other areas.

The Locum Town Clerk confirmed that the five-year plan projection provides a 'worse case' scenario. If there are underspends in budget allocations, then the money is re-allocated to support other areas.

The Locum Town Clerk confirmed that an allocation of £10,000 per annum has been included in the five-year budget plan, as a budget heading, to support the Council's Twinning Programme.

Cllr Knight proposed the budget should be updated to £40,000 with a caveat that the Twinning budget goes to public consultation, as it is important to involve the public in this decision.

With regards to the Officer's report, taking this recommendation into account the five-year budget plan shows a 0% rise in Patchway Town Council's precept, utilising small amounts from the general reserve fund to offset any increased costs in years 2025-2027. The amount taken from General Reserve Fund over this period would be £3,034.61 and would result in a 0% increase in any Precept. If the Council Tax base increases, this would result in a reduction in the Town Council Precept. The Officers do not expect the budget to fluctuate within the new two years, unless any unforeseen circumstances arise.

In years 2027-2029, a proposed addition to the General Reserve Fund of £59,979.86 which offset the funds taken in 2025-2027 would see the Council increase their General Reserve Fund by a net of £56,945.25. If the Town Council, did not wish to allocate all these funds to the General Reserve Fund, they could use this to reduce the Town Council Precept, however this would not be the advice of the Officer's presently.

The Chair of the meeting did not take a vote on the Officer's budget report.

10/09/2024 – No. 8. Patchway Town Council Finance.

Cllr Lansdown commented that the Council should look to source cheaper products and supplies from a local Stationery supplier rather than via Amazon.

10/09/2024 – No. 11. To consider the possibility of a South Gloucestershire Council Dog Warden patrolling Norman Scott Park and any fees associated with enforcing the bylaws.

The Deputy Town Clerk advised that due to feedback from the public in April 2024 with dogs in the park and verbal abuse to the Groundstaff team, the Council contacted South Gloucestershire Council (SGC) Dog warden seeking support regarding the issues in Norman Scott Park.

Cllr Lansdown advised members that there are no dogs in the park during the week, the issue is when visitors come from other parishes to football match(es) and bring their dog(s).

The Deputy Town Clerk confirmed that a SGC warden is prepared to patrol the park 1-2 times per week, Monday to Friday, at no cost to the Town Council. No patrols can operate on the weekend. Anyone found to be in breach of the bylaw by allowing their dog into the park and if found fouling, will be given a penalty notice. SGC would submit 50% of the penalty charge obtained to the Town Council being it is the Council's asset.

The aim is for football clubs and users of the park on the weekends to be reminded of the 'no dog' policy. The patrols during the working week will serve as an initial warning to be given to offenders. However, if a repeat offence is established, then a fine to be issued. The Council wishes to be seen by the public as taking the correct measures to those who bring their dogs into the park, as the bylaw needs to be enforced.
