*During a pre-meeting of the majority of Labour Councillors before the Annual Town Council Meeting on 21st May, decisions were made regarding the membership of the Finance, Parks & Planning, and Personnel Committees. It was noted, three Labour Councillors proposed en bloc the members for these Committees. (some of whom were not at the meeting).*

*These proposals were seconded and passed without the usual procedure of discussion or consultation on committee preferences.*

16/07/2024

Concerns have now been raised by councillors who were not privy to the pre-meeting about the fairness and transparency of this process. Committee selections should be free from party politics, especially at the Town Council level. This is the first time in 10 years in my experience that committee selections have been handled in this manner.
