Any documents relating to Town Council land and property will be retained indefinitely by the Town Council to give a complete overview of refurbishments, disposals or acquisitions.

General e-mails (in relation to day-to-day business and projects) are filed and retained for a period of 2 years.

Development Control (Planning)

If a particular planning application forms part of a Town Council owned property then the application will be kept indefinitely or until such times as the site is developed.

Personnel Documents

A basic level of information will be permanently retained on all employees. (e.g. length of time employed, courses attended etc.) If a member of staff leaves the employment of the Town Council and there is likely to be a claim made against the Town Council under employment or other relevant legislation, the personnel file will be archived until such time as any claim has been dealt with or legal advice states that it may be destroyed.

Storage of Retained Documents

Retained documents will be stored on the Town Council's premises and archived to ensure easy retrieval. A review of the method of storage will be carried out periodically to ensure items continue to be accessible.

Historical Information

Documents and files kept for historical reasons will periodically be reviewed and offered to the County Records Office for safe keeping. This is to ensure that very old documents are kept in optimum conditions to ensure longevity.
